On September 8, 2026, the Company issued promissory notes to certain accredited investors in the aggregate principal amount of \$280,000 (inclusive of a \$30,000 original issuance discount) (the “September 2026 OID Notes”) for gross proceeds of \$250,000. The Company the net proceeds of the September 2026 OID Notes to repay (i) \$19,710 under that certain 7% promissory note in the original principal amount of \$233,910 issued to Vanquish Funding Group Inc. and (ii) \$19,710 under those certain 18.75 % notes issued in June 2025. The remaining net proceeds will be used for working capital and general corporate purposes. In addition, the Company issued pre-funded warrants (“September 2026 Pre-Funded Warrants”) to purchase 1,000,000 shares of its common stock (“September 2026 Pre-Funded Warrant Shares”) as an inducement for investors to purchase the September 2026 OID Notes.

The September 2026 OID Notes mature on April 8, 2027 and accrues interest at a rate of 7% per annum which increases to 15% (or the maximum amount permitted by law) during the existence of an event of default. The September 2026 OID Notes may be prepaid at any time at 105% of the original principal amount. The September 2026 OID Notes contain negative covenants, including restrictions on additional indebtedness while the notes are outstanding.

The Company granted the investors in the Note Purchase Agreement a “most-favored nations” provision with respect to the issuance of any debt that is not convertible into common stock of the Company (or amends any non-convertible debt that was issued before the Issue Date).

The September 2026 Pre-Funded Warrants are immediately exercisable and may be exercised at a nominal exercise price of \$0.0001 per share of Common Stock at any time until all of the September 2026 Pre-Funded Warrants are exercised in full; provided, however, that until the Company has obtained stockholder approval for issuance of the September 2026 Pre-Funded Warrant Shares, the Company shall not issue a number of September 2026 Pre-Funded Warrant Shares, which when aggregated with all other securities that are required to be aggregated for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the shares of Common Stock outstanding as of the date of definitive agreement with respect to the first of such aggregated transactions. A holder may not exercise any portion of the September 2026 Pre-Funded Warrants to the extent a purchaser would own more than 4.99% of the outstanding Common Stock immediately after exercise. A holder may increase or decrease this percentage with respect to September 2026 Pre-Funded Warrants to a percentage not in excess of 9.99%, except that any such increase shall require at least 61 days’ prior notice to the Company.

The foregoing descriptions of each of the Note Purchase Agreement, September 2026 OID Notes and the September 2026 Pre-Funded Warrants does not purport to be complete and are qualified in their entirety by reference to the full text of such agreements and instruments, copies of which are filed as Exhibits 10.1, 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

Upon the delivery of a Default Declaration by the Holder of this Note in accordance with Section 5(a), the outstanding principal amount of this Note, plus all accrued interest, liquidated damages and other amounts owing hereunder, shall become, at the election of the Holder of this Note, immediately due and payable in cash at the Mandatory Default Amount; provided that if the Company’s Common Stock is listed on a national securities exchange at the time of such Event of Default, the Mandatory Default Amount shall be reduced to 100%. The Company hereby waives presentment, demand, protest and all other notices of any kind in connection with such acceleration. Such acceleration may be rescinded by the Holder of this Note at any time prior to payment, without prejudice to any subsequent Event of Default.

(c) Interest Rate Upon Event of Default. Commencing upon the delivery of a Default Declaration and until such Event of Default is cured or waived by the Holder of this Note, this Note shall accrue interest at an interest rate equal to the Default Interest Rate.

(d) Notice of Potential Default. Upon learning of any event described in Section 5(a)(i) through (xxi) with respect to this Note, the Company shall within two Trading Days deliver written notice thereof via facsimile or electronic mail and overnight courier (with next day delivery specified) to the Holder of this Note.

(b) Absolute Obligation. Except as expressly provided herein, no provision of this Note shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, liquidated damages and accrued interest and late fees, as applicable, on this Note at the time, place, and rate, and in the coin or currency, herein prescribed. This Note is a direct debt obligation of the Company.

(c) Lost or Mutilated Note. (e) Waiver. Any waiver by the Company or the Holder of this Note of a breach of any provision of this Note shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Note. The failure of the Company or the Holder of this Note to insist upon strict adherence to any term of this Note on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Note on any other occasion. Any waiver by the Company or the Holder of this Note must be in writing.

(f) Severability. If any provision of this Note is invalid, illegal or unenforceable, the balance of this Note shall remain in effect. If any interest or other amount due hereunder violates applicable usury law, the applicable rate shall automatically be reduced to the maximum permitted rate. The Company waives the benefit of any stay, extension or usury law that would prohibit or forgive payment of any portion of the principal or interest on this Note.

(g) Remedies and Injunctive Relief. All remedies under this Note and the Transaction Documents are cumulative and in addition to any remedies at law or in equity. The Company acknowledges that a breach of its obligations hereunder will cause irreparable harm to the Holder and agrees that the Holder shall be entitled to injunctive relief without the necessity of showing economic loss or posting any bond. The Company shall provide all information and documentation reasonably requested by the Holder to confirm the Company's compliance with this Note.

(h) Next Trading Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Trading Day, such payment shall be made on the next succeeding Trading Day.

(i) Headings. The headings contained herein are for convenience only, do not constitute a part of this Note and shall not be deemed to limit or affect any of the provisions hereof.

IN WITNESS WHEREOF, the Company has caused this Note to be duly executed by a duly authorized officer as of the date first above indicated.

PRE-FUNDED COMMON STOCK PURCHASE WARRANT

CHANGE AGENTS CORPORATION

Warrant Shares: _____

Original Issuance Date: September 8, 2026

THIS PRE-FUNDED COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, _____, a Delaware limited partnership (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after September 8, 2026 (the "Initial Exercise Date") and on or prior to 5:00 p.m. (New York, NY time) on a date which is five years from the Original Issuance Date (the "Termination Date") but not thereafter, to subscribe for and purchase from **CHANGE AGENTS CORPORATION**, a Delaware corporation or its assigns (the "Company"), up to _____ shares of Common Stock (as subject to adjustment hereunder, the "Warrant Shares"). The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b).

Section 1. Definitions. Capitalized words and terms used and not otherwise defined herein and which are not otherwise descriptive shall have the meanings set forth in that certain Note Purchase Agreement (the "Purchase Agreement"), dated September 8, 2026 by and between the Company and the Holder.

Section 2. Exercise.

(a) Exercise of Warrant. Exercise of this Warrant may be made, in whole or in part, at any time on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed Notice of Exercise in the form attached as Exhibit A (the "Notice of Exercise"). Within two Trading Days following exercise, the Holder shall deliver the aggregate Exercise Price by wire transfer unless the cashless exercise procedure in Section 2(c) is specified. No ink-original Notice of Exercise or medallion guarantee shall be required. The Holder shall not be required to physically surrender this Warrant until exercised in full, in which case surrender shall occur within three Trading Days of the final Notice of Exercise. Partial exercises shall reduce the outstanding number of Warrant Shares purchasable hereunder. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the dates of purchase. The Company shall deliver any objection to any Notice of Exercise within two Business Days of receipt; failure to timely object shall be deemed acceptance. **By acceptance of this Warrant, the Holder acknowledges that, following partial exercise, the number of Warrant Shares available for purchase may be less than the amount stated on the face hereof.**

(b) Exercise Price. The aggregate exercise price of this Warrant, except for a nominal exercise price of \$0.0001 per Warrant Share (the "Exercise Price"), was pre-funded to the Company on or prior to the Initial Exercise Date. No additional consideration (other than the Exercise Price) shall be required to effect any exercise. The Holder shall not be entitled to a refund of any portion of the pre-paid exercise price. The remaining unpaid exercise price per share shall be 0.0001.

(c) Cashless Exercise. This Warrant may also be exercised by means of a “cashless exercise” in which the Holder shall receive a number of Warrant Shares equal to $[(A-B) \times (X)] \div (A)$, where:

(A) = (i) the VWAP on the Trading Day immediately preceding the Notice of Exercise if delivered on a non-Trading Day or before regular trading hours, (ii) at the Holder’s option, either (y) the VWAP on the preceding Trading Day or (z) the Bid Price at the time of execution if the Notice of Exercise is executed during regular trading hours and delivered within two hours thereafter, or (iii) the VWAP on the date of the Notice of Exercise if delivered after the close of regular trading hours on a Trading Day;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in a cashless exercise, the parties acknowledge that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the characteristics of the Warrants being exercised, and the holding period of the Warrants may be tacked to the holding period of the Warrant Shares. The Company agrees not to take any position contrary to this Section 2(c).

“Bid Price” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock are then listed or quoted on a Trading Market, the bid price of the Common Stock for the time in question (or the nearest preceding date) on such Trading Market as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. to 4:02 p.m. (New York, N.Y. time)), (b) if the Common Stock are traded on OTCQB or OTCQX, the volume weighted average sales price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets Group, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of the Common Stock as determined by an independent appraiser selected in good faith by the Holder and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock are then listed or quoted on The New York Stock Exchange, the NYSE American or any tier of The Nasdaq Stock Market (each, a “Trading Market”), the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on such Trading Market as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. to 4:02 p.m. (New York, N.Y. time)), (b) if the Common Stock are traded on OTCQB or OTCQX, the volume weighted average sales price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets Group, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of the Common Stock as determined by an independent appraiser selected in good faith by the Holder and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

Notwithstanding anything contained herein to the contrary, subject to the Beneficial Ownership Limitation and the Conversion Limitation, on the Termination Date, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

(d) Mechanics of Exercise.

(i) Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Company's share transfer agent (the "Transfer Agent") to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder, or (B) if there is no effective registration statement and the Warrant is exercised via cashless exercise at a time when such Warrant Shares would be eligible for resale under Rule 144 by a non-affiliate of the Company, such Warrant Shares are delivered to Holder's broker, and the Company receives a statement from Holder's broker that it has received instructions to sell the Warrant Shares or that it would take responsibility that the sales of the Warrant Shares will only be made if the Warrant Shares are eligible to be sold under Rule 144, and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) three Trading Days after the delivery to the Company of the Notice of Exercise or (ii) one Trading Day after delivery of the aggregate Exercise Price to the Company (such date, the "Warrant Share Delivery Date"). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within three Trading Days following delivery of the Notice of Exercise. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the fifth Trading Day after such liquidated damages begin to accrue) for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to use commercially reasonable efforts to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable.

(ii) Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the Holder's request and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares, which new Warrant shall in all other respects be identical with this Warrant.

(iii) Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

(iv) Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to deliver the Warrant Shares by the Warrant Share Delivery Date, and if the Holder is required by its broker to purchase Common Stock in the open market to cover a sale of the Warrant Shares which the Holder anticipated receiving (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount by which the Holder's total purchase price (including brokerage commissions) exceeds the product of the number of undelivered Warrant Shares multiplied by the price at which the Holder's sell order was executed, and (B) at the Holder's option, either reinstate the undelivered portion of the Warrant (in which case such exercise shall be deemed rescinded) or deliver the number of Warrant Shares that would have been issued had the Company timely complied. The Holder shall provide written notice of amounts payable and, upon Company request, evidence of such loss. Nothing herein limits the Holder's right to pursue other remedies at law or in equity, including specific performance.

(v) No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

(vi) Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense, all of which shall be paid by the Company. If Warrant Shares are to be issued in a name other than the Holder's, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached as Exhibit B duly executed by the Holder, and the Company may require payment of any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees for same-day processing of any Notice of Exercise and all DTC fees for same-day electronic delivery of the Warrant Shares.

(vii) Closing of Books. The Company will not close its shareholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

(e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of Common Stock which would be issuable upon (i) exercise of the remaining, non-exercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or non-converted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Common Stock, a Holder may rely on the number of outstanding Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within one Trading Day confirm orally and in writing to the Holder the number of Common Stock then outstanding. In any case, the number of outstanding Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this Section 2(e) shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant. Notwithstanding anything in this Warrant to the contrary, and in addition to the limitations set forth herein, if Company has not obtained Stockholder Approval, the Company shall not issue a number of Warrant Shares, which when aggregated with all other securities that are required to be aggregated for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the shares of Common Stock outstanding as of the date of definitive agreement with respect to the first of such aggregated transactions (the "Conversion Limitation"). For purposes of this section, "Stockholder Approval" means such approval as may be required by the applicable rules and regulations of the Nasdaq Stock Market LLC (or any successor entity) from the stockholders of the Company with respect to the issuance of the Warrant Shares hereunder that, when taken together with any other securities that are required to be aggregated with the issuance of the Warrant Shares issued hereunder for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the issued and outstanding common stock as of the date of definitive agreement with respect to the first of such aggregated transactions.

Section 3. Certain Adjustments.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in Common Stock (which, for avoidance of doubt, shall not include any Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(b) Subsequent Rights Offerings. If the Company grants, issues, or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities, or other property pro rata to holders of Common Stock (other than to employees, consultants, or management) ("Purchase Rights"), then the Holder will be entitled to acquire the aggregate Purchase Rights which the Holder could have acquired if it had held the number of shares acquirable upon complete exercise of this Warrant (disregarding the Beneficial Ownership Limitation) immediately before the record date for such Purchase Rights; provided that to the extent participation would cause the Holder to exceed the Beneficial Ownership Limitation, such Purchase Rights shall be held in abeyance until participation would not result in exceeding the limitation.

(c) Pro Rata Distributions. If the Company declares or makes any dividend or other distribution of assets (or rights to acquire assets) to holders of Common Stock, other than cash (including any distribution of stock, securities, property, or options by way of dividend, spin-off, reclassification, or similar transaction) (a "Distribution"), the Holder shall be entitled to participate to the same extent as if it had held the number of shares acquirable upon complete exercise of this Warrant (disregarding the Beneficial Ownership Limitation) immediately before the record date for such Distribution; provided that to the extent participation would cause the Holder to exceed the Beneficial Ownership Limitation, the portion of such Distribution shall be held in abeyance until participation would not result in exceeding the limitation.

(d) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock are effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding Common Stock (not including any Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of common equity of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

(e) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of Common Stock (excluding treasury shares, if any) issued and outstanding.

(f) Notice to Holder

(i) Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

(ii) Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock are converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the Warrant Register (as defined below), at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company, the Company shall simultaneously file such notice with the Commission pursuant to a Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

(a) Transferability. Subject to compliance with applicable securities laws and the conditions in Section 4(d), this Warrant and all rights hereunder (including any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company together with a written assignment substantially in the form attached hereto and funds sufficient to pay any transfer taxes. Upon such surrender and payment, the Company shall execute and deliver a new Warrant in the name of the assignee in the denominations specified, and shall issue to the assignor a new Warrant evidencing the portion not so assigned. The Holder shall not be required to physically surrender this Warrant unless assigned in full, in which case surrender shall occur within five Trading Days of delivering the assignment form. A properly assigned Warrant may be exercised by a new holder without having a new Warrant issued.

(b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Original Issuance Date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

(c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

(d) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant or Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Reserved.

Section 6. Miscellaneous.

(a) No Rights as Shareholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3.

(b) Loss, Theft, Destruction, or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which shall not require the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

(c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

(d) Authorized Shares. The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock such number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise and payment in accordance herewith, be duly authorized, validly issued, fully paid and non-assessable and free from all taxes, liens, and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except as waived or consented to by the Holder, the Company shall not by any action (including amending its charter documents, or through any reorganization, transfer of assets, consolidation, merger, dissolution, or issuance of securities) avoid or seek to avoid the observance or performance of any terms of this Warrant, but will at all times in good faith assist in carrying out such terms and taking such actions as may be necessary to protect the rights of Holder. The Company will (i) not increase the par value of any Warrant Shares above the Exercise Price, (ii) take all action necessary to validly issue fully paid and non-assessable Warrant Shares upon exercise, and (iii) use commercially reasonable efforts to obtain all authorizations, exemptions, or consents from any regulatory body necessary to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

(e) Governing Law; Exclusive Jurisdiction. The provisions in the Purchase Agreement relating to governing law and exclusive jurisdiction are incorporated from the Purchase Agreement and apply in all cases.

(f) Restrictions. The Holder acknowledges that Warrant Shares acquired upon exercise, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by securities laws.

(g) Non-waiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. If the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

(h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement.

(i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

(j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby waives the defense in any action for specific performance that a remedy at law would be adequate.

(k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

(l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

(m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Warrant.

(n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

PRE-FUNDED COMMON STOCK PURCHASE WARRANT

CHANGE AGENTS CORPORATION

Warrant Shares: {50,000}[34,000]

Date of Issuance: September __, 2026 ("Issuance Date")

This COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, [Dune Equity Holdings LLC][FirstFire Global Opportunities Fund, LLC], a Delaware limited liability company (including any permitted and registered assigns, the "Holder"), is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the Issuance Date (the "Initial Exercise Date"), to purchase from CHANGE AGENTS CORPORATION, a Delaware corporation (the "Company"), [50,000][34,000] shares of Common Stock (the "Warrant Shares") (whereby such number may be adjusted from time to time pursuant to the terms and conditions of this Warrant) at the Exercise Price per share then in effect. This Warrant is issued by the Company to the Holder as of the Issuance Date, pursuant to the waiver agreement entered into on the Issuance Date by and among the Company and the Holder (the "Waiver").

Capitalized terms used in this Warrant shall have the meanings set forth in the Waiver unless otherwise defined in the body of this Warrant or in Section 16 below. For purposes of this Warrant, the term "Exercise Price" shall mean \$0.0001, subject to adjustment as provided herein (including but not limited to cashless exercise). "Exercise Period" shall mean the period commencing on the Initial Exercise Date and ending on 5:00 p.m. eastern standard time on the date that is five (5) years after the Initial Exercise Date; provided, however, that if (i) the Holder delivers the Buyout Notice (as defined in this Warrant) (the "Buyout Notice") as set forth in this Warrant and (ii) the Company pays the Buyout Amount (as defined in this Warrant) to the Holder in accordance with the terms of this Warrant, then this Warrant shall be extinguished and redeemed in its entirety.

1. EXERCISE OF WARRANT.

(a) *Mechanics of Exercise.* Subject to the terms and conditions hereof, the rights represented by this Warrant may be exercised in whole or in part at any time or times during the Exercise Period by delivery of a written notice, in the form attached hereto as Exhibit A (the "Exercise Notice"), of the Holder's election to exercise this Warrant. The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. On or before the second Trading Day (the "Warrant Share Delivery Date") following the date on which the Holder sent the Exercise Notice to the Company or the Company's transfer agent, and upon receipt by the Company of payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which all or a portion of this Warrant is being exercised (the "Aggregate Exercise Price" and together with the Exercise Notice, the "Exercise Delivery Documents") in cash or by wire transfer of immediately available funds (or by cashless exercise, in which case there shall be no Aggregate Exercise Price provided), the Company shall (or direct its transfer agent to) issue and deliver by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise (or deliver such shares of Common Stock in electronic format if requested by the Holder). Upon delivery of the Exercise Delivery Documents, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the certificates evidencing such Warrant Shares. If this Warrant is submitted in connection with any exercise and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as practicable and in no event later than three Business Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 7) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised.

If the Company fails to cause its transfer agent to issue to the Holder the respective shares of Common Stock by the respective Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise in Holder's sole discretion in addition to all other rights and remedies at law, under this Warrant, or otherwise.

If the Market Price of one share of Common Stock is greater than the Exercise Price, then the Holder may elect to receive Warrant Shares pursuant to a cashless exercise, in lieu of a cash exercise, equal to the value of this Warrant determined in the manner described below (or of any portion thereof remaining unexercised) by delivery of an Exercise Notice, in which event the Company shall issue to Holder a number of Common Stock computed using the following formula:

$$X = \frac{Y (A-B)}{A}$$

A

Where X = the number of Shares to be issued to Holder.

Y = the number of Warrant Shares that the Holder elects to purchase under this Warrant (at the date of such calculation).

A = the Market Price (at the date of such calculation).

B = Exercise Price (as adjusted to the date of such calculation).

(b) *No Fractional Shares.* No fractional shares shall be issued upon the exercise of this Warrant as a consequence of any adjustment pursuant hereto. All Warrant Shares (including fractions) issuable upon exercise of this Warrant may be aggregated for purposes of determining whether the exercise would result in the issuance of any fractional share. If, after aggregation, the exercise would result in the issuance of a fractional share, the Company shall, in lieu of issuance of any fractional share, pay the Holder otherwise entitled to such fraction a sum in cash equal to the product resulting from multiplying the then-current fair market value of a Warrant Share by such fraction.

(c) *Holder's Exercise Limitations ; Exchange Cap*. Notwithstanding anything to the contrary contained herein, the Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 1 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Exercise Notice, the Holder (together with the Holder's Affiliates), and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 1(c), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Holder is solely responsible for any schedules required to be filed in accordance therewith. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 1(c), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding at the time of the respective calculation hereunder. Notwithstanding anything in this Warrant to the contrary, the Company shall not issue a number of Common Stock pursuant to the exercise of this Warrant, which when aggregated with all other securities that are required to be aggregated for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the shares of Common Stock outstanding as of the date of definitive agreement with respect to the first of such aggregated transactions, unless the Company has obtained the Stockholder Approval (as defined in the Waiver) (the "Stockholder Approval"). If the Company does not obtain Stockholder Approval at the first meeting of its shareholders after the Issuance Date, the Company shall call a meeting every ninety (90) calendar days thereafter to seek Stockholder Approval until the earlier of the date on which Stockholder Approval is obtained or this Warrant is no longer outstanding. If the Stockholder Approval is not obtained and deemed effective under Delaware law on or before the date that is ninety (90) calendar days after the Issuance Date (the "Stockholder Approval Deadline Date"), then the Holder shall have the right, exercisable upon written notice to the Company within seven (7) calendar days of the Stockholder Approval Deadline Date (the "Buyout Notice"), to require the Company to pay [\$125,000][\$75,000.00] (the "Buyout Amount") in cash to the Holder within five (5) calendar days of the date of the Buyout Notice. If (i) the Holder delivers the Buyout Notice pursuant to the immediately preceding sentence and (ii) the Company pays the Buyout Amount to the Holder within five (5) calendar days of the date of the Buyout Notice, then this Warrant shall be extinguished and redeemed in the entirety. If (i) the Stockholder Approval is obtained and deemed effective under Delaware law and (ii) the average of the closing prices of the Common Stock on the Principal Market for the five (5) Trading Days immediately preceding the Stockholder Approval Date (the "True-Up Price") is less than \$2.50 per share (subject to adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the number of outstanding Common Stock), then the Company shall pay True-Up Payment (as defined in this Warrant) to the Holder within three (3) Trading Days of the Stockholder Approval Date. The "True-Up Payment" shall mean [\$125,000][\$75,000.00] minus the Warrants Value (as defined in this Warrant). The "Warrants Value" shall mean the total number of Exercise Shares underlying the Warrants on the Stockholder Approval Date multiplied by the True-Up Price. "Trading Day" shall mean a day on which the Principal Market shall be open for business. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

(d) *Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise.* In addition to any other rights available to the Holder, if the Company fails to cause the Company's transfer agent to deliver to the Holder the Warrant Shares in accordance with the provisions of this Warrant (including but not limited to Section 1(a) above pursuant to an exercise on or before the respective Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder, within one (1) Business Day of Holder's request, the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the product of (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder within one (1) Business Day of Holder's request the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases, or effectuates a cashless exercise hereunder for, Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence, the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

2. ADJUSTMENTS. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 2.

(a) Stock Dividends and Splits. Without limiting any provision of Section 4, if the Company, at any time on or after the Issuance Date, (i) pays a stock dividend on one or more classes of its then outstanding shares of Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its then outstanding shares of Common Stock into a larger number of shares or (iii) combines (by combination, reverse stock split or otherwise) one or more classes of its then outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this paragraph occurs during the period that an Exercise Price is calculated hereunder, then the calculation of such Exercise Price shall be adjusted appropriately to reflect such event.

(b) [Reserved].

3. [Reserved].

4. PURCHASE RIGHTS: FUNDAMENTAL TRANSACTIONS.

(a) [Reserved]

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 4(b) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(c) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b) to permit the Fundamental Transaction without the assumption of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "Corporate Event"), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant) (the "Corporate Event Consideration"). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

(c) [Reserved]

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and shall be applied as if this Warrant (and any such subsequent warrants) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Beneficial Ownership Limitation, applied however with respect to shares of capital stock registered under the 1934 Act and thereafter receivable upon exercise of this Warrant (or any such other warrant)).

5. NON-CIRCUMVENTION. The Company covenants and agrees that it will not, by amendment of its articles of incorporation, bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, for so long as this Warrant is outstanding, have authorized and reserved, free from preemptive rights, two (2) times the number of shares of Common Stock into which the Warrants are then exercisable into to provide for the exercise of the rights represented by this Warrant (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in its capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in its capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which it is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE.

(a) *Lost, Stolen or Mutilated Warrant.* If this Warrant is lost, stolen, mutilated or destroyed, the Company will, on such terms as to indemnity or otherwise as it may reasonably impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination and tenor as this Warrant so lost, stolen, mutilated or destroyed.

(b) *Issuance of New Warrants.* Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant shall be of like tenor with this Warrant, and shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date.

8. TRANSFER. This Warrant shall be binding upon the Company and its successors and assigns, and shall inure to be the benefit of the Holder and its successors and assigns. Notwithstanding anything to the contrary herein, the rights, interests or obligations of the Company hereunder may not be assigned, by operation of law or otherwise, in whole or in part, by the Company without the prior signed written consent of the Holder, which consent may be withheld at the sole discretion of the Holder (any such assignment or transfer shall be null and void if the Company does not obtain the prior signed written consent of the Holder). This Warrant or any of the severable rights and obligations inuring to the benefit of or to be performed by Holder hereunder may be assigned by Holder to a third party, in whole or in part, without the need to obtain the Company's consent thereto.

9. NOTICES. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with the notice provisions contained in the First Note (as defined in the Waiver). The Company hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any objection to jurisdiction and venue of any action instituted hereunder, any claim that it is not personally subject to the jurisdiction of any such court, and any claim that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper (including but not limited to based upon *forum non conveniens*). **THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTIONS CONTEMPLATED HEREBY.** The Company irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Warrant or any other agreement, certificate, instrument or document contemplated hereby or thereby by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to the Company at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. The prevailing party in any action or dispute brought in connection with this Warrant or any other agreement, certificate, instrument or document contemplated hereby or thereby shall be entitled to recover from the other party its reasonable attorney's fees and costs. If any provision of this Warrant shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Warrant in that jurisdiction or the validity or enforceability of any provision of this Warrant in any other jurisdiction.

Each party (an “Indemnifying Party”) agrees to indemnify and hold harmless each other party, its officers, directors, employees, authorized agents, and any controlling Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any Damages resulting from any misrepresentation, breach of warranty, or failure to perform any covenant or agreement by the Indemnifying Party under this Agreement; provided that the obligations of the Purchasers under this Section 4(b) are several and not joint, and no Purchaser shall be liable for any act or omission of any other Purchaser.

(c) Certain Expenses and Fees. The Company shall pay all taxes and duties levied in connection with the delivery of the Notes to the Purchasers. In addition, the Lead Investor shall have the right, in its sole discretion, to withhold \$2,500 from the Lead Investor’s Company Funding Amount and remit such amount directly to the Lead Investor’s legal counsel as payment toward the Lead Investor’s legal fees and disbursements incurred in connection with this Agreement and the other Transaction Documents. Such withholding shall be non-accountable, and the Lead Investor shall have no obligation to provide the Company with any accounting, invoices, receipts, or other documentation regarding the application of such funds. Any amount so withheld shall be deemed paid by the Company for all purposes under this Agreement.

5. **SPECIAL COVENANTS.**

(a) **Prohibition on MCA Debt.** While any portion of any Note remains outstanding, the Company shall not borrow or draw funds under any merchant cash advance or similar cash flow-based financing arrangement.

(b) **Filing of Current Report.** The Company agrees that it shall, within the time required under the Exchange Act, file with the SEC a report on Form 8-K relating to the transactions contemplated by, and describing the material terms and conditions of, this Agreement (the “Current Report”).

(c) **Commitment Pre-Funded Warrants.** Upon the applicable Closing or Closings, the Company shall issue to the Purchasers (or their respective designees) one or more pre-funded warrants (the “Pre-Funded Warrants”) to purchase, allocated pro rata among the Purchasers, a number of shares of Common Stock equal in the aggregate to 100,000 (such shares, the “Pre-Funded Warrant Shares”), at an exercise price of \$0.0001 per share, in the form attached hereto as **Exhibit B**. Each Pre-Funded Warrant shall be subject to a beneficial ownership limitation of 4.99% of the Company’s outstanding Common Stock (calculated in accordance with Section 13(d) of the Exchange Act). Upon delivery of written notice to the Company, each Purchaser may increase (effective on the 61st day following such notice) or decrease such limitation to any percentage not exceeding 9.99%. Notwithstanding anything in this Agreement to the contrary, and in addition to the limitations set forth herein, if Company has not obtained Stockholder Approval, the Company shall not issue a number of Pre-Funded Warrant Shares, which when aggregated with all other securities that are required to be aggregated for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the shares of Common Stock outstanding as of the date of definitive agreement with respect to the first of such aggregated transactions (the “Conversion Limitation”). For purposes of this section, “Stockholder Approval” means such approval as may be required by the applicable rules and regulations of the Nasdaq Stock Market LLC (or any successor entity) from the stockholders of the Company with respect to the issuance of the Pre-Funded Warrant Shares under the Pre-Funded Warrants that, when taken together with any other securities that are required to be aggregated with the issuance of the Pre-Funded Warrant Shares issued under this P for purposes of Nasdaq Listing Rule 5635(d), would exceed 19.99% of the issued and outstanding common stock as of the date of definitive agreement with respect to the first of such aggregated transactions.

(d) **Most Favored Nation.** If at any time while any portion of any Note remains outstanding, the Company issues any non-convertible debt to any third party on terms that are, taken as a whole, more favorable to such third party than those granted to any Purchaser under this Agreement or the applicable Note (including, without limitation, with respect to interest rate, maturity, original issue discount, security, covenants, or fees) (a “Subsequent Financing”), the Company shall provide written notice thereof to each Purchaser within five Trading Days of the closing of such Subsequent Financing, together with a description of the material terms thereof. Each Purchaser shall have 10 Trading Days following receipt of such notice to elect, independently by written notice to the Company, to amend the terms of this Agreement and such Purchaser’s Note to incorporate any or all of such more favorable terms, which amendments shall be deemed effective as of the closing date of such Subsequent Financing. An election by one Purchaser shall not bind any other Purchaser. The foregoing shall not apply to (i) issuances of Common Stock or Common Stock Equivalents to employees, officers, directors, or consultants of the Company pursuant to any equity incentive plan duly adopted by the Company’s Board of Directors; (ii) securities issued in a firm-commitment underwritten registered public offering; (iii) securities issued in connection with a bona fide strategic transaction approved by the Company’s Board of Directors where the primary purpose of such transaction is not the raising of capital; or (iv) the Commitment Shares issued pursuant to Section 5(c).

(e) **Prohibition on Debt.** From and after the applicable Closing Date, the Company shall not, and shall not permit any Subsidiary to, directly or indirectly, incur, assume, guarantee, or otherwise become liable for any Indebtedness (including, without limitation, merchant cash advances, convertible notes, promissory notes, and similar instruments) without the prior written consent of the Majority Holders, except for: (i) trade payables incurred in the ordinary course of business consistent with past practice; (ii) Indebtedness existing as of the applicable Closing Date and disclosed on Schedule 5(e) hereto; (iii) equipment financing and capital lease obligations not exceeding \$100,000 in the aggregate at any time outstanding; (iv) Indebtedness in an net increase amount of up to \$250,000 and (v) any Indebtedness issued to any Purchaser (or its designees).

(f) Roll-Over Right. If at any time while any portion of any Note remains outstanding, or upon the occurrence of any future debt or equity financing by the Company (a “Future Financing”), each Purchaser shall have an independent right, exercisable at such Purchaser’s sole election, by delivery of written notice to the Company (a “Roll-Over Notice”), to apply all or any portion of the then-outstanding principal amount of such Purchaser’s Note, together with all accrued and unpaid interest thereon (the “Roll-Over Amount”), toward the purchase of securities offered in such Future Financing, on the same terms and conditions as are offered to other purchasers in such Future Financing. Upon the Company’s receipt of a Roll-Over Notice from a Purchaser: (i) such Purchaser’s Note shall be deemed repaid and cancelled to the extent of the Roll-Over Amount, and the Company’s obligation to pay the Roll-Over Amount in cash shall be discharged; (ii) the Roll-Over Amount shall simultaneously be applied as purchase consideration for the securities offered in the Future Financing, and such Purchaser shall be entitled to receive such securities as if it were a cash purchaser in such amount; and (iii) if the Roll-Over Amount is less than the entire outstanding principal and accrued interest of such Purchaser’s Note, such Note shall continue in effect with respect to the remaining balance. For the avoidance of doubt, the exercise of the Roll-Over Right under this Section 5(f) shall constitute a repayment and cancellation of the applicable portion of such Purchaser’s Note followed by a simultaneous new investment by such Purchaser in the Future Financing, and shall not constitute or be deemed to be a “conversion” of such Note into equity or any other security. Such Purchaser’s participation in the Future Financing pursuant to this Section shall be documented through the applicable purchase agreement or subscription documents for such Future Financing, and such Purchaser shall execute such documents on the same terms as other purchasers therein. The Company shall provide each Purchaser with written notice of any proposed Future Financing (a “Financing Notice”) not less than 10 Trading Days prior to the anticipated closing thereof, including a description of the material terms of such Future Financing. Each Purchaser shall have 10 Trading Days following receipt of the Financing Notice to deliver a Roll-Over Notice. If a Purchaser does not deliver a Roll-Over Notice within such period, such Purchaser shall be deemed to have waived its Roll-Over Right with respect to such Future Financing (but shall retain its Roll-Over Right with respect to any subsequent Future Financing). The Company shall not consummate any Future Financing without first complying with the notice provisions of this Section, unless each Purchaser entitled to receive notice hereunder has waived such notice in writing.

(g) Prohibition on Variable Rate Transactions. From and after the applicable Closing Date until April __, 2027, the Company shall not, and shall not permit any Subsidiary to, directly or indirectly, enter into, assume, guarantee, or otherwise become a party to any Variable Rate Transaction without the prior written consent of the Majority Holders. A violation of this Section shall constitute an immediate Event of Default under the applicable Note without the requirement of any notice or cure period.

(h) Reservation of Common Stock. Within five Business Days following the applicable Closing, the Company shall reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the Pre-Funded Warrants, a number of shares of Common Stock equal to 100% of the maximum number of shares of Common Stock then issuable upon exercise in full of all outstanding Pre-Funded Warrants held by the Purchaser (without regard to any exercise limitations set forth therein, including the Beneficial Ownership Limitation and the Conversion Limitation) (the “Required Reserve Amount”). The Company shall at all times thereafter maintain reserved shares in an amount not less than the Required Reserve Amount, as adjusted from time to time to reflect adjustments to the number of shares issuable upon exercise of the Pre-Funded Warrants in accordance with their terms. If at any time the number of authorized and unissued shares of Common Stock available for reservation is insufficient to satisfy the Required Reserve Amount, the Company shall promptly take all corporate action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to permit the reservation and issuance of the Required Reserve Amount, including, without limitation, calling a special meeting of stockholders or soliciting written consents for such purpose within 60 calendar days of such insufficiency. Any failure by the Company to comply with this Section 5(h) that remains uncured for 10 Business Days after written notice from any Purchaser shall constitute an Event of Default under each affected Note. For the avoidance of doubt, the “Required Reserve Amount” shall include the pre-funded warrants previously issued to the Purchaser on or about August 14, 2026.

(i) Reservation Letter. Within two Business Days following the Company's compliance with Section 5(h), the Company shall deliver to each Purchaser a letter from the Company's transfer agent (the "Reservation Letter"), in form and substance satisfactory to such Purchaser, confirming that the Transfer Agent has reserved a number of shares of Common Stock equal to the Required Reserve Amount. The Reservation Letter shall specify the aggregate number of shares so reserved and confirm that such shares are authorized, unissued and free from any prior reservation or commitment. The Company shall deliver an updated Reservation Letter to each Purchaser promptly, and in any event within five Business Days, following any adjustment to the Required Reserve Amount. Any failure by the Company to deliver the Reservation Letter or any updated Reservation Letter as required by this Section 5(i) that remains uncured for 10 Business Days after written notice from any Purchaser shall constitute an Event of Default under each affected Note.

(j) Breach of Covenants. Any material breach by the Company of any covenant in Section 4, this Section 5, or elsewhere in this Agreement that remains uncured for 10 Business Days after written notice from any Purchaser shall constitute an Event of Default under each affected Note.

6. GOVERNING LAW; MISCELLANEOUS.

(a) Governing Law/Jurisdiction/Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflicts of laws. Each party hereby irrevocably submits that any dispute, controversy or claim arising out of or relating to this Agreement, shall be submitted to the exclusive jurisdiction of the state courts of the State of Delaware and the United States District Court for the District of Delaware. The parties to this Agreement hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. The prevailing party shall be entitled to recover from the non-prevailing party its reasonable attorney's fees and costs. In the event that any provision of this Agreement or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Agreement or any other Transaction Document by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

(b) **JURY TRIAL WAIVER. THE COMPANY AND EACH PURCHASER HEREBY WAIVE A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO AGAINST ANY OTHER PARTY HERETO IN RESPECT OF ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THE TRANSACTION DOCUMENTS.**

(c) Counterparts; Signatures by Electronic Mail. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties. This Agreement, once executed by a party, may be delivered to the other parties hereto by electronic mail transmission of a copy of this Agreement bearing the signature of the party so delivering this Agreement.

(d) Headings. The headings of this Agreement are for convenience of reference only and shall not form part of, or affect the interpretation of, this Agreement.

(e) Severability. Any provision hereof which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision hereof.

(f) Entire Agreement; Amendments. This Agreement and the instruments referenced herein, and the Transaction Documents, contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor any Purchaser makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the Company and the Majority Holders; provided, however, that no such waiver or amendment may, without the written consent of the Purchaser adversely affected thereby, amend, waive, or otherwise adversely affect the economic rights of such Purchaser under its Note.

(h) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. Neither the Company nor any Purchaser shall assign this Agreement or any rights or obligations hereunder without the prior written consent of the Company (in the case of an assignment by a Purchaser) or the affected Purchaser or Purchasers (in the case of an assignment by the Company). This second amendment (this “Amendment”) to the Agreement (as defined below) is entered into as of September 9, 2026 (the “Effective Date”), by and between Change Agents Corporation, a Delaware corporation (the “Company”), and Hudson Global Ventures, LLC, a Nevada limited liability company (the “Investor”, and collectively with the Company, the “Parties”).

WHEREAS the Parties entered into an equity purchase agreement on or around July 22, 2026 (as amended from time to time, the “Agreement”), as well as that first amendment to the Agreement on or around August 21, 2026; and

WHEREAS, the Parties now desire to amend the Agreement;

NOW, THEREFORE, the Parties hereto agree as follows:

1. Applicable Trading Amount. The definition of “Applicable Trading Amount” in Section 1.1 of the Agreement shall be replaced by the following:

“Applicable Trading Amount” shall mean the following:

- (a) \$15,000.00 if (i) the VWAP of the Common Stock during the period beginning at the start of regular trading hours” as defined in Rule 600(b)(88) of Regulation NMS promulgated under the federal securities laws on the Put Date and continuing through the time of the delivery of the Put Notice to Investor is greater than \$2.50, and (ii) the total trading volume of the Company’s Common Stock on the Principal Market on the Put Date prior to the delivery of the Put Notice to Investor exceeds 100,000 shares; or
 - (b) \$15,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$3.00 but less than or equal to \$3.50; or
 - (c) \$25,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$3.50 but less than or equal to \$4.00; or
 - (d) \$100,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$4.00 but less than or equal to \$5.00; or
 - (e) \$200,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$5.00 but less than or equal to \$6.50; or
-

- (f) \$350,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$6.50 but less than or equal to \$9.00; or

- (h) \$500,000.00 if the lowest closing price of the Common Stock during the two (2) Trading Days immediately preceding the respective Put Date is greater than \$15.00.

For the avoidance of doubt, each of the closing prices as well as the number of shares identified above in this definition of Applicable Trading Amount are subject to adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the number of outstanding Common Stock. Notwithstanding the foregoing, if the parameters in any of the subsections (b) through (h) of the definition of Applicable Trading Amount are satisfied on the respective Put Date, then subsection (a) of the definition of Applicable Trading Amount shall not apply on the respective Put Date.

- 2. Purchase Price. The reference to “\$0.20” in the definition of Purchase Price in Section 1.1 of the Agreement shall be replaced with “\$2.00”.
- 3. Minimum Pricing. The reference to “equal or exceed \$0.30 per share” in Section 7.2(o) of the Agreement shall be replaced with “exceed 3.00 per share”. The following sentence also shall be added to Section 7.2(o) of the Agreement: “This Section 7.2(o) of the Agreement shall not apply to a Put Notice that is being delivered pursuant to the parameters in subsection (a) of the definition of Applicable Trading Amount.”
- 4. Shareholder Approval. The reference to “seventy-five (75) calendar days” in Section 6.2 of the Agreement shall be replaced with “ninety (90) calendar days”.
- 5. Effect of Amendment; Full Force and Effect. This Amendment shall form a part of the Agreement for all purposes, and each Party shall be bound hereby and this Amendment and the Agreement shall be read and interpreted as one combined instrument. From and after the date hereof, each reference in the Agreement to “this Agreement,” “hereof,” “hereunder,” “herein,” “hereby” or words of like import referring to the Agreement shall mean and be a reference to the Agreement as amended by this Amendment. Except as herein expressly amended or otherwise provided herein, each and every term, condition, warranty and provision of the Agreement shall remain in full force and effect, and such are hereby ratified, confirmed and approved by the Parties.
- 6. Counterparts. This Amendment may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by electronic means, including DocuSign, Adobe Sign or other similar e-signature services, e-mail or scanned pages shall be effective as delivery of a manually executed counterpart to this Amendment.
